

Best Evidence Summaries of Topics in Mental Healthcare

BEST in MH *clinical question-answering service*

Question

What is the impact on staff of working with people with psychosis?

Clarification of question using the *PRO* structure

Population group: Mental healthcare staff working with people with psychosis
Association: Working with people with psychosis
Outcome: All functioning, health and wellbeing outcomes

Clinical and research implications

No relevant systematic reviews, cohort studies or case-control studies could be found for this question.

What does the evidence say?

Number of included studies/reviews (number of participants)

N/A

Main findings

N/A

Authors conclusions

N/A

Reliability of conclusions/Strength of evidence

N/A

What do guidelines say?

Neither National Institute for Health and Care Excellence (NICE) nor Scottish Intercollegiate Guidelines Network (SIGN) guidelines comment on the impact on staff of working with people with psychosis.

Date question received: 05/08/2015

Date searches conducted: 07/08/2015

Date answer completed: 11/08/2015
